

In an effort to obtain timely information, ideas, and options for improving next year's events, the Woodview PTO Board seeks parent feedback after each such event. If you have attended a Woodview event and have constructive feedback to share, or if you have ideas for us, please complete the following:

Event Name and Date: _____

What worked well during this event (please be as specific as possible):

How this event can be improved in the future (please be as specific as possible):

You may email this document to the Woodview PTO at woodviewpto@gmail.com. As an alternative, you can print and send your anonymous response through the school office in an envelope addressed to the Woodview PTO Board. All responses will be compiled, without names, for use during next year's planning.

Thank you for taking a few minutes to help us continue offering quality programs for the children and families of Woodview School. We appreciate your thoughtful feedback!
